## DJ Heiko Glück

DJ Heiko Glück has been a DJ since 1988 and learned "DJing" the old-school way, on real turntables. Today, he uses one of the most advanced DJ digital systems, which gives him access to a music archive comprising over 400,000 tracks.

For years, DJ Heiko Glück has been successfully working in almost every area of musical entertainment, whether as a DJ at corporate and private events, weddings, or large-scale events with tens of thousands of people.

Companies like Porsche, Telefónica Deutschland GmbH, Augsburger Allgemeine Zeitung, Hotel Kulm Arosa/Switzerland, Hotel Nauderer Hof Nauders, Green Mango Club Koh Samui/Thailand, Roland Berger Consulting, LHI-Leasing Pullach, Industriebansa München, and CSU Bayern are just a few of his numerous satisfied clients. The city of Speyer entrusted Heiko Glück with their Millennium Party, where over 25,000 people danced to his beats.

Heiko Glück is a member of the Hitradio RT1 party team from Augsburg, and he frequently performs at various RT1 events, such as the public viewings for the UEFA European Championships in 2008/2012/2016 and the FIFA World Cups in 2010/2014/2018.

At the Augsburger Press- und Opera ball, he has been representing RT1 on the high-end segment with great expertise at the turntables for many years.

One of his personal highlights is the promotion party for Football Club Augsburg's promotion to the Bundesliga. BR3 broadcasted this event live on TV, and he was the responsible DJ at the Augsburger Rathausplatz, accompanied by the Hitradio RT1 moderation team and over 10,000 enthusiastic fans.

Twice a year, Heiko Glück celebrates the "Saturday Night Disco" at the Parktheater in Kurhaus Göggingen.

As a DJ for Wedding Music, Get ready Events, and 089DJBooking by Robert James Perkins in Munich, he is always happy to be booked for weddings, private events, and corporate parties.

His experience and flexibility are further enhanced by shared DJ performances with DJane and Playmate of the Century Gitta Saxx, DJ Novus from Groove Coverage, as well as Milk & Sugar (Hey Nah Neh Nah).

Heiko Glück himself does not see himself as an "entertainer" like some other *musical performers*, but as a classic DJ who can impress in any situation through his musical sense and subtle, context-appropriate moderation.

In order to make the leap to the "most beautiful island in the world," Mallorca, and to fulfill his lifelong dream, Heiko Glück has been operating the website DJ Service Mallorca since June 2023:
